<b>Job Description</b>	<p><b>Position Summary:</b> To provide individual and group counselling to children and their parents/caregivers who have witnessed and/or experienced abuse or high conflict in their lives.</p> <p>Key Duties and Responsibilities Support, Education, Referrals and Advocacy</p> <ul style="list-style-type: none"> <li>•Provide counselling services using a psycho-educational approach to working with children, addressing emotional, social, behavior and psychological issues arising from witnessing and/or experiencing abuse</li> <li>•Provide assistance in identifying children’s adjustment difficulties and other symptoms related to attitudes about violence and adult behaviour. Identify the impact of witnessing abuse on individual children and develop an effective counselling plan to address client needs</li> <li>•Teach and practice skills with children in the areas of anger management, expressing feelings and problem solving</li> <li>•Provide a safe and trusting environment within the counselling relationship for children to express themselves</li> <li>•Provide individual assessments and counselling for children who are not ready for group</li> </ul>

**WorkBC Employment Services – Job Posting**

- Facilitate groups, using a wide range of approaches with children around family violence issues such as expression of feelings, anger, and problem solving skills, support networks, safety, boundaries, and self-esteem
- Promote healing and skill development in order to cope with the impact of witnessing abuse
- Develop and provide an educative/support group for caregivers when possible. Act as an information resource for caregivers who are having difficulty with their children and provide information, support, feedback and referrals when appropriate around specific issues of a child who has witnessed abuse
- Respond to critical incidents involving alcohol and drugs, mental health and/or potentially violent situations
- As per society services promote cultural awareness and create an environment where women and children of all cultural and ethnic backgrounds feel accepted. Maintain cultural sensitivity when working with children
- Assess and respond appropriately to incidents of potentially dangerous client behavior requiring further intervention (i.e. suicidal behavior)
- Respond to parenting concerns with information and/or referrals as necessary, including reports to MCFD as required
- To provide advocacy, resource information, referrals and emotional support to clients and assist them in exploring their options and defining their goals
- Make and maintain relationships with organizations/community members providing support for children such as SSCS, MCFD, School, Teachers, Principles, Counsellors, etc and work effectively with them to support clients and their families
- Make referrals to other HSWC programming whenever appropriate
- Stay current on issues related to violence against women and children, parenting issues, child protection laws, custody and access, etc
- Attend regional meeting/program meetings and any other meeting or training in consultation with the Program Manager
- Maintain current information on such issues as Child Apprehension and the effects on Children Who Witness Abuse
- Maintain professional growth and keep up to date on trends related to the responsibilities of the position through either attending workshops, courses and/or by reviewing current information/resources. Maintain and expand resources files through research, scanning current periodicals, pamphlets, and other information sources
- Administration
- Formally track all client interactions such as phone calls, emails, individual/group counselling sessions, parents support, etc. on weekly tracking form
- Assist Program Manager with submitting Stats as required
- Adhere to the policies and standards of the Howe Sound Women’s Centre Society, as established in policy and program manuals, Health and Safety Guidelines, job descriptions, written memos and verbal agreements
- Ensure that the counselling room is well maintained, clean, safe and appropriately furnished
- Responsible for accurately and appropriately documenting all program related expenses and records. (i.e. mileage, time sheets, etc.)
