

Program Support Worker – Supported Child Development– Squamish

Dec 21 2018

Casual

We're looking for child-focused, enthusiastic applicants to work on a casual basis in our Supported Child Development Program.

The work involves planning and carrying out activities to promote the social and personal developmental of children who require extra support in child care settings and liaising with the family.

Here's what you need:

- 1) ECE certificate and/or child care related training.
Equivalent courses and education could be considered in some circumstances. One or more completed post-basic courses in special needs education or equivalent workshops in child development and disabilities.
- 2) Minimum two years' experience working with children. 3) Valid first aid certificate.

Compensation: As per BCGEU Collective Agreement, starting wage is \$18.15 per hour.
