

Special Needs Children's Resource Worker – one position each in Squamish, Whistler and Pemberton

Part-time – 5 hours per week

We're looking for an enthusiastic applicant to work on a regular part-time basis (5 hrs/wk) in our Special Needs Resource Program.

The work involves enriching the life of a child or youth with additional needs through extra support in the community environment. You will assist the child/youth in setting goals to address social, emotional and behavioural development. Overall this program is designed to afford children and youth with community accessibility, social opportunities and recreational experiences.

Here's what you'd need:

- Minimum Grade 12 with preference given to post secondary education in child development.
- Minimum one year experience working with children with special needs.
- Ability to provide suitable activities for the child within the guidelines of the service plan.
- Demonstrated ability to develop trust relationships with children and their families.
- Valid BC Driver's License. □ Valid First Aid Certificate.

Starting wage: \$19.39 per hour plus vacation and paid holidays
