Job Description	<p>Hawthorn Landscape Design is a locally owned and operated garden maintenance, design and installation company. We are a team of enthusiastic horticulturalists and landscape designers who provide professional, efficient and friendly service. We offer a range of services from garden maintenance and lawn care to landscape design and installation services. We have a particular love of ecological design and are committed to environmentally sustainable gardening practices. We install and maintain edible gardens and enjoy mixing edibles with ornamentals to combine an artful design with a sustainable food source. We use organic products wherever they are available and offer designs that help conserve water, provide habitat for birds, insects and pollinators.</p> <p>Duties:</p> <ul style="list-style-type: none"> •Garden bed maintenance includes weeding, cultivating, raking, edging, deadheading, pruning. •Installation of trees, shrubs, perennials, bulbs and annual bedding plants. •Shrub and hedge trimming. •Lawn mowing, string trimming, edging •Installation of stone pathways and retaining walls •Disposal of garden waste in the landfill
